

After School and Weekend Programs

Individuals may be picked up after school (at school or home) and/or on weekends to participate in activities with their friends. Services include interactive games, lessons, and community trips to improve on skills. Children will have the opportunity to attend weeknight clubs and occasional planned weekend events.

Programming continues through the summer, with day trips and a variety of other community activities that may not be available throughout the school year.

“Don’t go through life,
grow through life.”

Clinical Support Services for Schools

We offer behavior consultation with licensed Board Certified Behavior Analyst staff.

Medicaid Service Coordination

To assist parents in accessing services for their child, including Medicaid Enrollment and Waiver Eligibility.

Respite Services

Respite services are available on an “as-needed” basis to families throughout the county. St. Lawrence NYSARC offers evening and weekend programs. Services are provided on a 24-hour basis.

Weekday Clubs

Weekday clubs include a variety of activities including arts/crafts, cooking, physical activities, and socialization with skill building.

Saturday Programs

Saturday Club

St. Lawrence NYSARC provides recreational trips and activities with a supervised peer group. A monthly calendar of events is developed by the people involved.
